Help Provide Basic Essentials to Infants / Children in Need

Looking for a fun service project?

Please consider hosting a Baby Shower for the MetroHealth Friends of Mothers & Infants.

Help gather *new essential* items for infants/children living in poverty in the Greater Cleveland area.

MISSION: MetroHealth Friends of Mothers & Infants promotes the health and well being of families by providing essential items for mothers and infants/children who are clients of the MetroHealth Center for Community Health.

We are happy to provide brochures and a speaker to talk to your group about our mission, goals and service to our community.
